### **SECTION – A**

#### **PLAN OF ACTION CHALKED OUT BY THE IQAC IN THE BEGINNING OF THE YEAR 2009 – 2010 TOWARDS QUALITY ENHANCEMENT**

##### **Introduction :**

The sesquicentenary celebrations were inaugurated by the Hon'ble Chief Minister of West Bengal, Sri Buddhadeb Bhattacharya on January 22, 2009. He paid tribute to the rich heritage and long history of St. Xavier's. He emphasized upon the inevitable relationship between education and development. He stressed on the importance of education as a crucial factor that contributes to nation building. He praised St. Xavier's for its service to Bengal and to India and complimented it as a centre of knowledge and excellence.

The Jubilee theme was "Seemar Majhe Ashim Tumi". The inaugural function set in motion a series of programmes, both in the School and in the College. Various departments and Associations had organized a number of programmes including seminars, workshops, symposia, debates, industrial visits, cultural festivals and so on.

The aim of the College is to enhance the overall institutional quality and effectiveness with emphasis on excellence in learning and teaching and to engage in creative research at the highest level. To achieve the goals, the following are identified as the major thrust areas in the year 2009-10:

- Successful completion of 150 years celebrations.
- Introduction of new courses - UG, PG and career oriented certificate & diploma courses.
- Further expansion of space accommodating class rooms and offices in the new building.
- Enhancement of infrastructural facilities.
- Development of two hostels – one for boys and one for girls.
- Reforms in the examination and evaluation processes.
- Creation of more full time College paid teaching posts on UGC scale and non-teaching posts.
- Curriculum restructuring.
- Faculty enrichment for excellence.
- New and innovative modes of delivery – online, mobile, video-conference etc.
- Adequate access, equity and quality.
- Exploring further possibilities for more student exchange with Colleges and universities.
- Preferential option for economically and socially challenged students.
- IGNOU convergence programme.
- Collaboration with industry.
- Formation of various committees to assist overall administration.
- Enhancement of security.

## **Detailed Plan of action for the year 2009-10 :**

### **150<sup>th</sup> Year Celebrations:**

- To implement the various programmes planned out for the 150<sup>th</sup> year celebration and to spread, through such programmes, greater awareness among our stake holders about the past, present and future of our College.
- To invite the Hon'ble Prime Minister for the concluding ceremony of the 150<sup>th</sup> year celebration in January 2010.
- To continue to emphasize on three main areas namely –
  - access to information, admission and administration.
  - Equity with respect to class and caste through various programmes like gender sensitization and remedial programmes.
  - Quality improvement in respect of teaching-learning process, co-curricular and extra-curricular activities, infrastructure and other institutional facility.
- To have common celebrations for School and College where teachers, students, alumni/ae, benefactors, well-wishers and friends could come to their alma mater to relive their experiences.
- To generate more resources towards the celebration of 150<sup>th</sup> year and build up of funds for College development.

### **Vision and Mission:**

- To have a wider discussion and deliberation on Vision, Mission and Value Framework for greater awareness and achievement of our goals.
- Being the jubilee year, we could start a long-term planning for St. Xavier's 2020.
- To strengthen the lay collaboration in the College and to give more responsibilities to lay staff.

### **New Courses:**

- To start PG courses under IGNOU Convergence programme.
- To plan for implementation of a four year degree course in Multimedia and a two year PG course In Microbiology.
- Plan for a new section for BBA as part of the expansion programme.

### **International Collaboration:**

- Since many requests are coming for admissions of students from different countries like China, Thailand, Philippines, Africa, etc., St. Xavier's needs to respond to this. This will strengthen our cosmopolitan atmosphere in the College.
- Explore possibilities of collaboration with more foreign universities like St. Canisus(Buffalo), Fordam (New York); Georgetown University (Washington DC); Assumption University (Bangkok), etc.

### **Curriculum and Evaluation:**

- To continue with curriculum re-structuring so as to make it more practical, research based, career oriented and to implement the revised curriculum and syllabi.
- To continue the examination reforms and deliberate on this issue in various departments and committees.

### **Faculty and student development:**

- To organize faculty enrichment programmes in smaller and bigger groups.
- To involve more and more students in personality development programmes, remedial classes, social projects, games and sports as well as in jubilee celebration.

### **Infrastructure enhancement:**

- Plans to shift computer laboratory to a central place.
- To improve the infrastructure to accommodate Commerce and Arts departmental offices.
- To start new campuses. This is an effort to expand St. Xavier's so that it becomes the No.1 Higher Education Institution in the country and our priority areas are – EM By-pass property, Guesthouse in Salt Lake property and Hostel development.

## SECTION – B

### 1. Activities reflecting the Goals and Objectives of the Institution.

The new academic year began with the exercise of orientation which focused on our mission and vision statement i.e. to form men and women for others. The inauguration of the new academic session was held on 1<sup>st</sup> July 2009 with the induction of the freshers to the College.

There were five inaugural programs for different departments :

- a) B.COM – MORNING at 6 a.m.

In an effort to reduce carbon foot print and to encourage the use of conventional energy, Solar Energy Inverter for computers was inaugurated at the M.Sc. Comp.Sc. laboratory on July 18<sup>th</sup> 2009. The system is developed by Prof. P.K. Chakraborty, Dean of PG Studies and Prof. Subhankar Ghosh of Physics department with the joint effort of Computer Science department

The 7<sup>th</sup> Congress of the World Union of Jesuit Alumni/ae was held from 22 to 27 July 2009 at Burundi, Africa. The principal attended this event along with 10 Alumni/ae members of the College. The objective of holding it in Burundi was to appreciate the effort of African countries in the promotion and development of education. St. Xavier's College delegates had a fruitful meeting with the African delegates.

On July 31, 2009, the feast of the Jesuit Founder St. Ignatius of Loyola was celebrated. Fr. Xavier Savirumuthu was the chief celebrant along with other fathers and he spoke on the vision of St. Ignatius

for a better society. The principal thanked all the staff and students and reiterated the dedication and responsibility of St. Xavier's College as a Jesuit institution.

On 5<sup>th</sup> August, 2009 St. Xavier's College – IGNOU Convergence Programme was inaugurated to facilitate the convergence of face-to-face mode teaching with the distance education mode to bridge the gap in distance and conventional face-to-face mode of education. On the same day, N.S.E. Certified Capital Market Professional (NCCMP), a joint Certification programme offered by St. Xavier's College (Autonomous) and National Stock Exchange of India Limited (NSEIL) was also inaugurated.

From August 7 to 11, 2009, the Dean and teachers of University of Manitoba visited St. Xavier's College. They had meetings with the principal and had interactive sessions with the teachers with the objective of taking the collaboration forward.

To encourage entrepreneurship among the College students, the Entrepreneurship Development Cell (EDC) organized a three day Entrepreneurship Awareness Camp from August 21-23 2009. EDC also organized several Business Plan Presentations by various groups of students during the academic year 2009-10.

Total no. of computers: 28

Main server computer: 1

Overall system monitoring computer: 1

Technical processing computer (Cataloguing, indexing and barcoding): 3

Lending counter computer: 3

Reading room counter computer: 1

Catalogue search computer (OPAC): 2

Reprography division computer: 1

Computers in cubicles (for faculty members and students): 12

[Out of these 16 cubicle computers, 3 computers are reserved for, 1) B.Com staff study, 2) Sociology staff study and 3) General staff study respectively. The remaining 13 computers are open to all faculty members and students from any department.]

All computers are connected through LAN (Local Area Network). The library database is maintained through the software LIBSYS 4 (Release 5). The library database (catalogue) can be accessed in 10 computers. Two online databases are subscribed at present:

- 1) Prowess, hosted by Centre for Monitoring Indian Economy (CMIE)
- 2) www.indiastat.com hosted by datanet India pvt. ltd.

These online databases are useful to BBA, B.Com, M.Com and Economics students and teachers. Besides, some online social science journals are also subscribed.

### **Reprographic Facilities**

The reprographic facilities are available in Central Library for the students and faculty members, at a very nominal rate of Rs.1/- per A4 size impression (for photocopy) and Rs.2/- only per A4 size page (for print out). One internet-facilitated computer is directly connected with the photocopy machine for taking print out of any online and also offline material as well. This section remains open from 9.00 AM to 5.00 PM on all working days.

### **Lending Library Facilities and Method of Operation**

The students, faculty members and supporting staffs of the College can borrow books from Central Library for a limited period. Students can borrow at most three books at a time. Faculty members can borrow at most six books and supporting staffs can borrow at most two books at a time. The books borrowed by students are further renewable at most twice in seven days slot each. The students belonging to financially challenged class (non-creamy layer) can borrow stipulated text book(s) for one full semester through book bank facility.

All books of Central Library have been computerized to develop a comprehensive bibliographic database of the total library holdings. After computerization, total collection of this library has been tagged by bar-coded identifiers by using the library automation software LIBSYS 4.0 (Release 5). The charging and discharging of library holdings are executed by barcode scanner through LIBSYS software. The books are tagged in order to keep proper track during circulation process and to facilitate proper inventory management in circulation system.

### **Internet/Inflibnet/Delnet facilities**

Internet facility is available through all computers of the library, which are connected through Local Area Network (LAN). The library software LIBSYS functions through client-server mode of networking. The library has a local server and one server computer stores entire bibliographic database of total library holdings, which is updated daily.

The College has Inflibnet facility, for accessing nearly 2000 e-journals and almost 50,000 e-books through National Library and Information Services Infrastructure for Scholarly Content (N-List) by Inflibnet, which is an Initiative of Ministry of Human Resource Development (MHRD) Under the National Mission on Education through ICT.

The College has applied for getting the facilities offered by DELNET.

### **Computerization of library**

The entire library holdings have been classified according to Dewey Decimal Classification (DDC) scheme (22<sup>nd</sup> edition), and catalogued in LIBSYS software according to Anglo American Cataloguing Rules (2<sup>nd</sup> ed) [AACR2] code. The following three library functions are operated fully through computerized mode, i.e.

- 1) Accessioning (Manual backup is also maintained)
- 2) Cataloguing
- 3) Circulation
- 4) Serials control (Partially computerized)
- 5) Article indexing (Work is going on)
- 6) Current Awareness Service (CAS) (Both computerized and manual as well)
- 7) SDI service (Both computerized and manual as well)

### **Preservation and Conservation of Rare Documents**

The library of the College holds a golden treasury of very old and rare documents, due to donations of books to the library by the provincial governments and European missionaries during the last two centuries. This documentary heritage is continuously decaying with time towards extinction, which is our national cultural loss. There is an urgent need of proper conservation and preservation of documentary heritages of the College. A project on preservation and conservation of rare documents was undertaken by the College to prevent this loss with the full financial support from UNESCO, New Delhi; which was started on 12<sup>th</sup> December, 2006. Under the collaborative project, selected rare documents from the College library have been recovered, preserved and digitized. Physical conservation was carried out on 52 volumes of books, comprising 31,614 pages, through processes of fumigation, de-acidification and tissue lamination. Preservation of a further 24,686 pages from 51 volumes of rare books as well as 99 rare paintings was carried out digitally, preserving them on DVD-ROMs and an intranet server. An exhibition of rare documents along with their digitized versions was inaugurated at the College on 3 March 2008. The oldest exhibited piece dates as far back as 1632. To conclude the project, a set of 4 DVDs containing some of the digitized documents and rare paintings was published. The digitized collection of paintings can also be viewed online.

### **Networking with other libraries**

The College library has institutional membership at British Council Library, Kolkata. The schemes of resource sharing through inter library loan and other networking ventures with other libraries are still under process.

### **New Implementations During 2009-10**

**37. Activities of the Guidance and Counseling unit**

The Personal Counselling Sessions are conducted at St Xavier’s Counselling Center by an experienced counsellor to help students resolve the problems that they confront. The sessions are client centered, on one to one basis. The emphasis is laid to understand the student’s problem using professional methods and provide strategy to help them handle it effectively.

Choosing the right career path is often a dilemma that the students face. The center provides vocational guidance to students based on their personality and interest. For personality appraisal the center conducts a battery of tests to provide a personality profile which gives insights into the suitable work environment. Understanding your personality is helpful in choosing the right career path.

Interest test assesses a student’s major field of interest. It is often said “Do what you love, love what you do”. If you choose a field that excites you, you will not only enjoy your work but also excel in your chosen field. For these tests the counselling center can be contacted.

The Counsellor visits each classes and introduces the counselling activities to the freshers’ at the beginning of the first semester.

Ms. Jyotsna Mital, Counsellor, is available between 3.00 p.m. -5.00 p.m. on Monday and between 7.30 a.m. - 9.30 a.m. on Wednesdays and Thursdays. She is an M. Phil. in Psychology from Delhi University and has a vast experience of counselling at St Xavier’s College, Mumbai and other institutions.

## Section – D

### PLANS OF ST. XAVIER'S COLLEGE FOR THE NEXT YEAR (2010-11)

- The College intends to start two hostels in the AJC Bose Road property, one for girls and the other for boys. The capacity of the hostels will be 150 for girls and 300 for boys. The work will start by May 2011 and we hope to complete the hostel in about 26 months. Once the new hostel buildings are ready, we plan to shift the Park Street hostel to the new site. One more floor may be added on the Park Street hostel and we shall acquire a little more than 36,000 square feet for further expansion of PG departments. We are grateful to the Government of West Bengal for its assistance towards the additional floor on the Park Street hostel.
- The EM By-Pass property also is in the line of development. The first project on the EM By-Pass land will be the construction of EMMRC building. We have also plans to acquire, from the state government, 2.5 acres in Rajarhat so that St. Xavier's could start a full-fledged campus.
- This is the fifth year of our autonomy. We have definitely in the last five years grown academically and in terms of infrastructure. Autonomy has called us to shoulder more responsibilities and to be more accountable to our stake-holders. It has helped us to improve our team work and academic quality. This is the time we need to introspect ourselves from different aspects and learn from our sparks and shadows.
- NAAC Reaccreditation - We were accredited by NAAC in 2003 and we received 'A' grade. We were due for re-accreditation by NAAC in 2009 but due to our 150 years celebrations, we have expressed our intent for re-accreditation this year in 2010. The NAAC coordinator, Dr. Dipankar Sengupta and his team are preparing the self-study report.
- Inauguration of central computing facilities.
- Introduction of modern and industry oriented computer courses under the Computer Centre.
- Development of Observatory and other Research facilities from grants likely to be received from FIST.
- Continuation of the exercise of curriculum restructuring and syllabus revision.
- Extension of outreach programmes.
- Generation of resources for the ongoing and future projects like hostels, new campus, guest house etc.
- Relocation and renovation of offices for more space conducive environment – the COE and B.Com. Evening offices.
- Centralized documentation centre in collaboration with Goethals Library and Research centre.
- Creation of a separate office for the PG courses.
- An exclusive office for NAAC and IQAC which will be serving as a documentation centre in near future.
- Separate HOD's cubicles for HODs of the commerce faculty.
- Enhancement in the security system of the campus.
- Enhancement of video-conferencing facilities to enable remote teaching-learning.
- Strengthen the relationship with stakeholders.
- To organize faculty enrichment programmes for junior staff and faculty training programmes in new technologies and also organize international conference in Management and Economics.
- To open more UG, PG and Career Oriented courses – Bengali Honours, M.Sc. Economics, M.Sc. Chemistry, Master in Social Work and other relevant and job oriented certificate and diploma courses.
- Enhance the academy-industry interface.
- To encourage more participation of women in games and sports.
- Completion of Non-teaching staff quarters and relocation of bank in the new building.
- Support, enhancement and encouragement of research and consultancy.
- To take forward the Vision 2020.
- Setup a Parent-Teacher association for better interaction and feedback from the stakeholders.
