

St. Xavier's College (Autonomous)
Syllabus for Research Entrance Test (RET) in Commerce

The RET 2016 would focus on assessing the subject knowledge of the candidate in the discipline in which he/she has done his/her P.G.

- a) Duration of this test will be 60 minutes and it will carry 100 total marks.
- b) There will be 50 MCQ type questions (total 100 marks), with 02 (two) marks each for correct answer and 01 (one) negative mark for a wrong answer.
- c) Out of the 50 MCQ type questions, 20 questions will cover different disciplines in the concerned Faculty while the remaining 30 (thirty) will cover the various areas in the given discipline. The Faculty level MCQs would be at a level equivalent Graduation in the given area, while the discipline MCQs will be based on the PG syllabus followed at CU/ SXC in the given discipline. These would cover all areas in the discipline equitably.
