

COURSE OUTCOMES: B3EN230511T

COURSE TITLE: AN INTRODUCTION TO BRITISH & AMERICAN POETRY

1. **Remember:** Identify key poetic forms (sonnet, ode, elegy, dramatic monologue) and recognize major poets and their historical-literary contexts.
2. **Understand:** Explain how poetic structure, diction, and imagery contribute to meaning across diverse genres and traditions.
3. **Apply:** Interpret selected poems through close reading, demonstrating awareness of poetic devices, voice, and tone.
4. **Analyze:** Examine how poets engage with themes of identity, nature, mortality, war, and cultural imagination across time and geography.
5. **Evaluate:** Critically assess the relationship between poetic form and socio-political content, especially in poems addressing gender, race, class, and nationhood.
6. **Create:** Develop original responses—analytical or creative—that reflect an understanding of poetic form, thematic depth, and cultural resonance.
