BRITISH FICTION AND DRAMA: 17 TH AND 18 TH CENTURY
FOUR
THEORY
FOUR
PROF PARTHO MUKHERJI AND DR CHANDRANI BISWAS
This course intends to focus on the seventeenth- and eighteenth- century drama and the rise of the novel.
1.To aid students in developing a proper understanding of drama
and fiction of the concerned period.
2. Through a close reading of the prescribed texts the students would able to trace the key characteristic features of the development of the
respective genre/s.
3. The study of the selected playwright/s and novelist/s and their
prescribed works would aid the students in developing a proper
understanding of the 17 th and 18 th century socio-cultural and
political history.
4. Sensitizing students about the evolution of women's position in the
society and other relevant gender issues.
