

COURSE OUTCOMES: C2BG230411T

COURSE TITLE: English Literature – Essay & Novel

1. **Remember:** Identify key authors, historical contexts, and thematic concerns in selected essays and novels from British and world literature.
2. **Understand:** Explain the rhetorical strategies, narrative techniques, and philosophical ideas expressed in nonfiction essays and fictional narratives.
3. **Apply:** Demonstrate interpretive skills by analyzing tone, structure, and argumentation in essays, and plot, character, and setting in novels.
4. **Analyze:** Examine how literary and essayistic forms engage with issues such as identity, morality, freedom, prejudice, and social justice.
5. **Evaluate:** Critically assess the effectiveness of selected texts in shaping public discourse, challenging norms, and reflecting cultural values.
6. **Create:** Compose original analytical or reflective responses that synthesize insights from both essay and fiction genres, demonstrating clarity, coherence, and critical depth.
