

COMPULSORY ENGLISH

Course Outcome:

1. Analyze and evaluate short stories and poetry using literary devices and techniques, including symbolism, theme, and characterization.
2. Apply knowledge of grammar rules, including subject-verb agreement, to improve writing skills.
3. Utilize different voices, such as active and passive voice, to convey messages effectively in writing.
4. Demonstrate proficiency in converting direct speech to indirect speech and vice versa.
5. Expand vocabulary through extensive reading and practice, enhancing language proficiency.
6. Develop critical reading skills through the analysis of unseen comprehension passages.
7. Produce formal emails, letters, and reports with appropriate structure, tone, and language.
8. Synthesize sentences effectively to convey complex ideas concisely and clearly.
