

Action Taken Report by Internal Quality Assurance Cell - Academic Year 2019-20

St. Xavier's College (Autonomous) diligently collated feedback on our curriculum from an array of stakeholders, including students, faculty, employees, and parents, recognizing their invaluable insights. The feedback underscored two critical areas warranting attention:

1. **Relevance:** Students articulated concerns regarding the alignment of certain courses with contemporary industry practices and the evolving demands of the job market.
2. **Pedagogy:** Suggestions were tendered to infuse our pedagogical approach with more interactive and practical learning methodologies, including case studies, simulations, and hands-on projects.

Actions Taken:

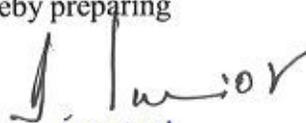

In response to the feedback received, the IQAC and curriculum committees have undertaken proactive measures:

1. **Comprehensive Curriculum Review:** A meticulous evaluation of our existing curriculum was undertaken, with a dedicated focus on updating courses to resonate with prevailing industry trends and standards.
2. **Introduction of New Courses:** To cater to emerging areas of significance across diverse fields, novel courses have been introduced. These courses encompass burgeoning domains such as data analytics, sustainability, and digital marketing, enhancing the breadth and depth of our curriculum offerings.
3. **Pedagogical Innovation:** Faculty members have been encouraged to embrace pedagogical innovation by integrating interactive elements into their teaching methodologies. This includes the integration of case studies, group projects, and collaborations with industry stakeholders to foster experiential learning.
4. **Strengthening Career Development Initiatives:** Recognizing the importance of preparing students for the competitive job market, enhanced career development initiatives have been implemented. These initiatives include career counseling sessions, resume building workshops, internship opportunities, and networking events, all aimed at empowering students with the skills and resources needed to pursue their desired career paths successfully.

Conclusion:

The IQAC of St. Xavier's College (Autonomous) underscores the pivotal role of a dynamic and responsive curriculum in nurturing academic excellence. The feedback provided by our stakeholders has served as a catalyst for transformative change, guiding our efforts to enhance the overall learning experience.

Through these concerted actions, we are steadfast in our conviction that our curriculum has been fortified to better address the evolving needs of our student community, thereby preparing them for successful careers in their chosen fields.
