

Action Taken Report by Internal Quality Assurance Cell - Academic Year 2022-23

In our steadfast pursuit of academic excellence, St. Xavier's College (Autonomous) meticulously gathered feedback on our curriculum through diverse channels, including student surveys, employer surveys, alumni surveys, faculty surveys, and deliberations during IQAC sessions. The feedback spotlighted two key areas warranting attention:

1. **Relevance:** Students voiced a strong desire for courses that directly correlate with contemporary industry practices and technological advancements.
2. **Interdisciplinary Approach:** While students appreciated interdisciplinary courses, they advocated for a more seamless integration and practical application of concepts across disciplines.

Actions Taken:

In response to the invaluable feedback received, the IQAC and curriculum committees have initiated strategic measures:

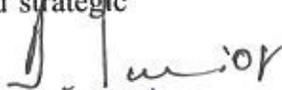

1. **Curriculum Revision:** An extensive review of the existing curriculum was undertaken, with a laser focus on updating courses to align with emerging industry trends and technological advancements. This ensures that our curriculum remains agile and responsive to the evolving demands of the professional landscape.
2. **Interdisciplinary Modules:** Efforts have been redoubled to develop more interdisciplinary modules that seamlessly integrate concepts from multiple disciplines. These modules aim to provide students with a holistic learning experience, fostering a deeper understanding of complex real-world challenges.
3. **Integration of Experiential Learning:** The incorporation of experiential learning opportunities has been prioritized within the curriculum. This includes internships, industry projects, and hands-on experiences, allowing students to apply theoretical knowledge in practical settings and develop critical skills necessary for success in their chosen fields.

Conclusion:

The IQAC of St. Xavier's College (Autonomous) acknowledges the imperative of a curriculum that is not only responsive but anticipatory of the needs of our students and the dynamic demands of the professional world. The feedback received has been instrumental in guiding our actions to enhance the educational journey for our students.

Through these proactive measures, we are confident that our curriculum has been fortified to better equip our students with the requisite skills, knowledge, and experiences necessary for successful careers. Our commitment extends beyond the classroom, as we strive to nurture individuals who are adaptable, innovative, and socially responsible professionals.

As we chart our course forward, we remain steadfast in our dedication to the continuous improvement of our curriculum. Rigorous evaluations, robust feedback loops, and strategic
