

## INTRODUCTION TO POLITICAL THEORY

---

1. Identify the key approaches to Political Theory and differentiate between various traditions such as Liberal, Marxist, Anarchist, Conservative, and Feminist.
2. Analyze the concept of Power and Authority in political theory and evaluate their influence on political systems.
3. Evaluate the Theories of State including Idealist, Contract, and Marxist perspectives to understand the role of the state in governance.
4. Compare and contrast the different perspectives on Democracy throughout history, including Classical, Liberal, and Deliberative models.
5. Critically evaluate the historical evolution and contemporary relevance of Democracy as a core political idea.
