IST INTERNATIONAL SYMPOSIUM ON BIOTECHNOLOGY

organized by
Postgraduate and Research Department of Biotechnology

12th and 13th November, 2024

The Postgraduate and Research Department of Biotechnology at St. Xavier's College (Autonomous), Kolkata, successfully organized its 2nd International Symposium on Biotechnology on 12th & 13th November, 2024. The event was held under the esteemed leadership of Principal, Rev. Dr. Dominic Savio, SJ and Dr. Jhimli Dasgupta, Head of the Department.

This two-day symposium was enriched by the presence of distinguished scientists from across India and abroad.

The organizing committee comprising Dr. Sayak Ganguli (Convener), Dr. Arindam Bakshi, Dr. Ditipriya Hazra (Co-Conveners) and Dr. Souvik Roy (Treasurer) played a pivotal role in the seamless execution of the event, demonstrating exceptional teamwork and dedication.

The poster for the 2nd International Symposium on Biotechnology is a detailed program overview. At the top, it identifies the host as St. Xavier's College (Autonomous), Kolkata, with the Postgraduate & Research Department of Biotechnology. The event is presented by CESC Limited. The central theme is the International Symposium on Biotechnology, represented by a stylized 'ISBT' logo. The program is divided into two main sections: Day 1 (12th November, 2024) and Day 2 (13th November, 2024). Day 1 features an Inaugural Address by Rev. Dr. Dominic Savio, SJ, Principal of St. Xavier's College, followed by Plenary Lectures by Dr. Arindam Maitra (National Institute of Biomedical Genomics, Kolkata), Dr. Rupa Mukhopadhyay (Indian Association for the Cultivation of Science, Kolkata), and Dr. Axel Innis (INGENIUM, University of Bordeaux, France). Day 2 features an Inaugural Address by Dr. Vinod Scaria (Vishwanath Cancer Care Foundation, Bengaluru), followed by Oral Presentations by Dr. Shantit Chowdhury (Indian Institute of Technology, Kharagpur) and Prof. Helena Freitas (University of Coimbra, Portugal, UNESCO Chair in Biodiversity), and Poster Presentations. The bottom of the poster lists various sponsors and partners, including Co-Sponsor (epitabtech), Associate Sponsor (Bioscience), Academic Partner (CIATTO), Academic Partner (GeNei), Event Partner (EduMugika), Digital Media Partner (edugraph), and Radio Partner (94.5 FM).

Scientific Session by

A special scientific session was conducted by our esteemed Associate Sponsor, Prescience Insilico, featuring a live demonstration of their cutting-edge AI-powered drug discovery platform, PRinS³. Dr. Seema Mittal, Program Director for Innovations and Outreach, showcased how digital R&D is delivering extraordinary impact in the field of life sciences. This session provided invaluable insights for students and researchers, emphasizing the evolving role of artificial intelligence in modern drug development.

Oral Presentation Session

- Alongside the enlightening plenary lectures, the symposium featured oral presentations by faculty and research scholars from over ten institutions, highlighting diverse advancements in biology and encouraging meaningful academic exchange.
- The oral presentations were judged by Dr. Urmi Chatterji and Dr. Geetanjali Sundaram.

Poster Presentation Session

Poster presentations by students, research scholars and faculty members from esteemed institutions across the country were held on both days, featuring a broad range of research spanning biotechnology and various other fields of biology.

The poster presentations were judged by Prof. Aniruddha Mukhopadhyay, Prof. Sanghamitra Bandopadhyay and Dr. Shamik Chowdhury.
