

## Imagining India

---

1. Remembering: Students will be able to recall key events, figures, and concepts related to India's history as a Hindu nation, including the contributions of Bankim Chandra Chattopadhyay and Gandhi.
2. Understanding: Students will demonstrate an understanding of the complexities and critiques surrounding the concept of India as a Hindu nation, particularly in relation to issues of caste, minorities, Adivasi communities, religion, and gender.
3. Applying: Students will be able to apply critical thinking skills to analyze and evaluate the impact of Hindu nationalism on various aspects of Indian society, including the experiences of minorities, Adivasi communities, and marginalized groups.
4. Analyzing: Students will examine the interplay between religion, caste, and gender in shaping India's socio-political landscape, and critically assess the implications for social justice and equality.
5. Evaluating: Students will be able to evaluate the strengths and limitations of different perspectives on India's identity as a Hindu nation, including the roles of Bankim Chandra Chattopadhyay and Gandhi, and their relevance in contemporary times.
6. Creating: Students will synthesize their understanding of India's diverse cultural, religious, and social fabric to propose innovative solutions for addressing issues of caste discrimination, minority rights, gender equality, and social inclusion in the country.
