Writing or Presenting a Dissertation or Project, based on the Field Work (10 Marks on Project +5 on Attendance=15 Marks)</p>	
Learning Outcomes	<p>This paper will help the students to understand the scope of heritage studies in India with special emphasis on the international trends and culture. Here we have applied based training on the particular subject through the field trips and projects which are required to measure the scope of the theme. We expect this course will be instrumental to make students aware of the potentials of heritage and museum studies in India and abroad.</p>
