All the students will be together till 3 years, where they will learn different components of multimedia in six semesters. After which, they have to choose one of the three options given below:

Option A: Specialisation in Animation

Option B: Specialisation in Design

Option C: Specialisation in Film Studies & Production

This process of choosing is done after knowing the student's aptitude, which will be verified also with the marks they received from first five semesters. The choice is granted at last after counselling with Head of the Department. It's done in the beginning of the sixth semester.
