

## MODERN INDIA---MAJOR THEMES

---

1. Understand the concepts of tradition and modernity in colonial India through critical analysis and evaluation.
2. Apply knowledge of key themes in modern India such as colonial influences, resistance movements, and the evolution of community identities in the context of tradition and modernity.
3. Analyze and synthesize various discourses on post-colonial nationhood, citizenship, and the public sphere in India.
4. Evaluate the role of community as a subject in shaping identity and social relations in colonial and post-colonial India.
5. Create and defend arguments regarding the complexities of citizenship and the public sphere in the Indian context, considering historical and contemporary perspectives.
