DR. MADHU AGNIHOTRI

ASSISTANT PROFESSOR
DEPARTMENT OF INFORMATION TECHNOLOGY
FACULTY OF COMMERCE

Contact: madhu.cal@sxccal.edu

PROFILE

Assistant Professor with over 12 years of teaching experience at undergraduate, post graduate and professional courses on Information Technology theoretical concepts and practical application. Provided administrative support in the capacity of Professor-in-charge for 4 years and as Head of the Department for 4 years for IT domain courses for commerce and management students at UG and PG level. I possess strong multi-tasking skills, with ability to manage and organize events such as industry talks, seminars, conferences in offline as well as virtual mode. I have several research publications and also co-authored a book on Computerized Accounting System and E-Filing of Tax Returns.

I am appointed as PhD Supervisor at the Department of PhD Programmes (Faculty of Commerce and Management), St. Xavier's College (Autonomous), Kolkata since October 2021.

EXPERIENCE

ASSISTANT PROFESSOR, DEPARTMENT OF INFORMATION TECHNOLOGY, FACULTY OF COMMERCE, ST. XAVIER'S COLLEGE (AUTONOMOUS), KOLKATA
JAN 2009-PRESENT

Taking classes regularly for commerce students at undergraduate level covering topics on E-Commerce, Computer Applications in Business, Computerized Accounting System, Web Page designing using HTML and Java Script, Database Management System, Professional level Skill training on documentation software (MS Word), spreadsheet package (MS Excel), presentation package (Powerpoint).

HOD (2017 till July 2021) & Professor-in-charge (till 2017) for the Department of Information Technology, ensured parity on the topics to be covered by whole IT teams for practical classes for UG commerce students (approximately 750 students per semester). Played critical role in syllabus designing and restructuring for the department during the new curriculum design under Choice Based Credit System

(CBCS). Organized several internal faculty orientation programmes each semester as per need to ensure the revision and updating of knowledge of the members of the department.

Taking classes for Post-graduate students of Commerce for the paper IT for Systems, covering the topics Business Modelling using Advanced Excel and Structured Query language (SQL).

Played key role in syllabus update at UG and PG level for IT Department.

Organized several industry talks and webinars for students.

Supervising Projects for Final year students at UG level covering the topics from ecommerce, blockchain, Artificial Intelligence, Cloud computing, cryptocurrency, Advertising, marketing, finance, human resource and related area.

Supervising PhD Scholars for research under Commerce Faculty.
