

Name: Prof. Rabiul Islam [RI]

Department: Mathematics.

Designation: Assistant Professor

Qualification: M. Sc.

Email Id: mdrabiulislam@sxccal.edu

Profile: Graduated from C.U. as a student of R.K.M. Residential College, Narendrapur. Completed M. Sc in Pure Mathematics, University of Calcutta Specialization: Functional Analysis & Harmonic Analysis.

Area of Interest: Functional Analysis, Differential and Algebraic Topology, Algebra, Symplectic Geometry. Research Experience: Pursued research in ISI, Kolkata. Has delivered seminar prior to the submission of the thesis entitled Study of Partial Differential relations in Differential Geometry in 2010.

Publication: Has got two published research papers to his credit.

Teaching Experience: Joined SXC in January 2009 as a full-timer.

Academic Achievements: • Attended ICM 2010, held in Hyderabad during August 19-27, 2010.

- Attended Advanced Instructional School on Algebraic topology sponsored by NBHM held at NEHU during June 13 to July 2, 2011.
- Was the guide of a couple of students of Belur Vidhyamandir in their M.Sc. projects on Differential Topology in the session 2010-11
- Local Co-ordinator (East zone) of all India Madhava Competition, 2012.
