Any variation to this Agreement shall be in writing and signed by authorised signatories for each Party

8. Intellectual Property

- 8.1. In this Agreement, "Intellectual Property" shall mean intellectual property of any description including but not limited to all inventions, designs, information, specifications, formulae, improvements, discoveries, know-how, data, processes, methods, techniques and the intellectual property rights therein, including but not limited to, patents, copyrights, database rights, design rights (registered and unregistered), trademarks, trade names and service marks, and applications for any of the above.
- 8.2. All Intellectual Property used in connection with the Project which has been generated prior to or outside the scope of the Project ("Background IP") shall remain the property of the Party contributing the same. The Parties agree that any improvements or modifications to a Party's Background IP arising from the Project which are not severable from that Background IP will be deemed to form part of that Party's Background IP and be owned by that Party. Each Party acknowledges and confirms that nothing contained in this Agreement shall give it any right, title or interest in or to the Background IP of the other Parties save as granted by this Agreement.
- 8.3 "Results" shall mean all information, know-how, results, inventions, software and other Intellectual Property arising in the course of the Project. Subject to clause 8.4, each Party

shall own the Results generated by its employees, students and/or agents arising from work on the Project.

Any Results which are generated by two or more Parties jointly and for which it is impossible to segregate each Party's intellectual contribution to the creation of such Results shall be referred to in this Agreement as "Joint Results". Joint Results shall be jointly owned by those Parties who have generated such Joint Results (the "Joint Owners") in proportion to the respective contribution of each Party. The Joint Owners shall all participate in the preparation, filing, prosecution and maintenance of the Joint Results using patent counsel reasonably acceptable to all Joint Owners. Any Joint Owner of any of the Joint Results may commercially exploit the Joint Results upon consultation and agreement with the other Joint Owners. In such circumstances, the Party which is commercially exploiting the Joint Results will pay the other Joint Owners a fair and reasonable royalty rate/revenue on the value of any products or processes commercially exploited by it which incorporate any Joint Results taking into consideration the respective financial and technical contributions of the Joint Owners to the development of the Joint Results, the expenses incurred in securing intellectual property protection thereof and the costs of its commercial exploitation and the proportionate value of the Results in any such product or process.
- 8.5. Each Party grants the other Parties, subject to the restrictions in Clause 10, (i) a non-exclusive, non-transferable, non-sub-licensable, royalty-free licence for the duration of the Project to use its Background IP (provided it is free to license the Background IP in question) solely to enable the other Parties to carry out their respective part of the Project, and (ii) a non-exclusive, non-transferable, non-sub-licensable, royalty-free licence to use its Results for academic and non-commercial research purposes, including research projects funded by third parties (including commercial entities) provided that those parties gain or claim no rights to such Results.
- 8.6. If any Party (the "Exercising Party") requires the use of Background IP of any other (the "Other Party") in order to exercise its rights in the Results (whether solely or jointly owned) then, provided the Other Party is free to license the Background IP in question, the Other Party will not unreasonably refuse to grant or delay granting a licence to the Exercising Party so that the Exercising Party may use such Background IP for the purpose of exercising its rights in the Results

9. Confidentiality

9.1 Subject to the remainder of this clause 9 and clause 10 below, the Parties each agree to use reasonable endeavours to keep confidential and not to publish or disclose in any way other than to those of its employees, students, directors, officers, advisors or representatives who have a need to know such information for the purposes of the Project:

- (i) any Background IP of another Party identified as confidential at the time of disclosure; or
- (ii) any Results of another Party; or
- (iii) Joint Results

(together the "**Confidential Information**")

without the consent of the Party owning or controlling such Confidential Information for a period of 5 years from the conclusion of the Project.

9.2 The undertaking in clause 9.1 above shall not apply to information:

- 9.2.1 which, at the time of disclosure, has already been published or is otherwise in the public domain other than through breach of the terms of this Agreement;

- 9.2.2 which, after disclosure to a Party, is subsequently published or comes into the public domain by means other than an action or omission on the part of any Party;
- 9.2.3 which a Party can demonstrate was known to it or subsequently independently developed by it and not acquired as a result of participation in the Project;
- 9.2.4 lawfully acquired from a third party who did not obtain it from any Party hereto;
- 9.2.5 is required to be disclosed to any regulatory authority or court of competent jurisdiction, or which is required to be disclosed pursuant to a request for the Lead under the Freedom of information Act 2000, the Freedom of Information (Scotland) Act 2002, Environmental Information Regulations 2004 or Environmental Information (Scotland) Regulations 2004 and for the Collaborators: the Right to Information Act 2005.

10. Publications

10.1 This Agreement shall not prevent or hinder registered students of any Party from submitting for degrees of that Party theses based on results obtained during the course of work undertaken as part of the Project; or from following that Party's procedures for examinations and for admission to postgraduate degree status.

10.2 In accordance with normal academic practice, all employees, students, agents or appointees of the Parties (including those who work on the Project) shall be permitted in pursuance of the Parties' academic functions, to discuss work undertaken as part of the Project in internal seminars and to give instruction within their organisation on questions related to such work.

10.3 Authorship of the Primary Publication shall be in accordance with normal academic practice. Notwithstanding clause 9 above, each Party shall be entitled to publish articles directly arising from its solely owned Results. Prior to the publication of articles directly arising from the work of more than one Party on the Project, each Party shall endeavour to circulate proposed publications at least 30 days in advance of submission for publication. All publications shall acknowledge the funding made available for the Project by the Funder. Each Party retains the right to request (such request not to be unreasonably refused) the delay of a publication in order to seek Intellectual Property protection for Results generated in the course of the Project if publication would reasonably prejudice such protection. Such delay shall not exceed 3 months, unless mutually agreed between the relevant Parties. Notification of the requirement for delay in submission for publication must be received by the publishing Party within thirty (30) days after the receipt of the material by the other Party/Parties, failing which the publishing Party shall be free to assume that the other Party/Parties has no objection to the proposed publication. The provisions of this sub-clause 10.3 shall survive termination or expiry of this Agreement for the period of one year.

10.4 No Party shall use the name or any trademark or logo of any other Party or the name of any of its staff or students in any press release or product advertising, or for any other commercial purpose, without the prior written consent of the Party(s).

11 Termination

11.1 The Lead may terminate a Party's participation in the Project upon written notice on the occurrence of any of the following events:

- 11.1.1 the Party enters into bankruptcy or liquidation or any other arrangement for the benefit of its creditors; or

- 11.1.2 the Party is in material breach of any of its obligations hereunder and such breach is not capable of remedy; or
- 11.1.3 the Party is in material breach of any of its obligations hereunder and such breach is capable of remedy but the Party remains in breach on the expiry of twenty eight (28) calendar days after receipt by the Party from the Lead of written notice specifying the breach and the action reasonably required to remedy the same.
- 11.2A Party may terminate its participation in the Project by giving ninety (90) days prior written notice to the Lead of its intention to terminate on the occurrence of any of the following events:

- 11.2.2 another Party is in material breach of any of its obligations hereunder and such breach is not capable of remedy; or
- 11.2.3 another Party is in material breach of any of its obligations hereunder and such breach is capable of remedy but the Party remains in breach on the expiry of the ninety (90) day notice period (unless the Party involved begins to remedy the breach within that period, and then continues diligently to remedy the breach until it is remedied fully, in which case the termination shall not be effective).
- 11.3 In the event that the duration of the Project is extended in accordance with Clause 6.2 and a Party no longer wishes to participate in the Project for the period of the extension, the Party may terminate its participation in the Project upon written notice to take effect on the original end date of the Project.
- 11.4 For the purposes of this Agreement, a Party which terminates its participation in the Project or which has its participation terminated in the Project is defined as the "Leaving Party".
- 11.5 In the event of a Party terminating its participation in the Project, subject to the Head Terms, the Lead in collaboration with the other Parties will make reasonable attempts to reallocate the obligations of the Leaving Party under this Agreement to another existing Party or a new Party acceptable to the remaining Parties to this Agreement and the Funder provided that such Party agrees to be bound by the terms of this Agreement.
- 11.6 The Leaving Party shall not be entitled to recover any of its costs incurred in connection with the Project on or after the date of termination of its participation in the Project as set out in the notice of termination.
- 11.7 Rights granted to the other Parties in respect of the Leaving Party's Background IP shall continue for the duration of the Project solely for the purposes of carrying out the Project, subject to the restrictions contained in this Agreement;
- 11.8 To the extent that exploitation of any other Party's/Parties' Results is dependent upon the Leaving Party's Background IP, then the Leaving Party shall, to the extent that it is free to do so, grant to the other Party/Parties a non-exclusive licence to such Background IP on fair and reasonable terms to be agreed;
- 11.9 The Leaving Party shall grant to the other Parties a non-exclusive, royalty-free licence to use its Results for the purposes of carrying out the Project.

11.10 All rights acquired by the Leaving Party to the Background IP and Results of the other Parties shall cease immediately other than in respect of the Leaving Party's interest in any Joint Results.

11.11 The Lead may terminate this Agreement upon written notice in the event that the Head Terms are terminated.

11.12 Clauses 5 (Repayment of the Award), 8 (Intellectual Property), 11 (Termination), 12 (Liability), 13 (Transfer of Materials), 14 (Applicable Law), 15 (Anti-bribery), 16 (Impact), 17 (Research Misconduct), 21 (Third Party Rights), 25 (Dispute Resolution), 26 (Law), shall survive the expiration or termination (if earlier) of this Agreement indefinitely. 12.2 No Party makes any representation or warranty that advice or information given by any of its employees, students, agents or appointees who work on the Project, or the content or use of any materials, works or information provided in connection with the Project, will not constitute or result in infringement of third-party rights.

12.3 The maximum liability of a Party under this Agreement shall not exceed the sums to be paid to it under this Agreement.

12.4 The liability of a Party shall not extend to loss of profit, revenue, business opportunity or any other indirect or consequential loss or damage.

12.5 Nothing in this Agreement limits or excludes either Party's liability for:

12.5.1 death or personal injury resulting from negligence; or

13 Transfer of Materials

13.1 In the event that any information or materials being shared by a transferring Party ("Transferor") to a receiving Party ("Transferee") under this Agreement is subject to any additional regulations due to its level of sensitivity including, without limitation, data protection, human tissue or export control legislation, the Parties agree to handle such information or materials in an appropriate and legally compliant manner.

13.2 The Transferor shall notify the receiving Transferee of any such sensitivity prior to transfer.

13.3 The Transferee shall procure that it obtains and shall comply with and maintain any necessary consent, approvals or licences in advance of taking receipt of such information or materials.

15.3 The Parties acknowledge and agree that any breach of this Clause 15 (however trivial) shall be deemed to be an irremediable material breach of this Agreement for the purposes of Clause 11.1.2 and 11.2.2.

Where an allegation of research misconduct arises in respect of several Parties' participation in the Project, the relevant Parties will work together to determine how the allegation will be investigated and reported.

18 Force Majeure

18.2 If a Party affected by such an occurrence causes a delay of three (3) months or more, and if such delay may reasonably be anticipated to continue, then the Parties shall, in consultation with the Funder, discuss whether continuation of the Project is viable, or whether the Project and this Agreement should be terminated.

No Party will assign this Agreement without the prior written consent of the other Parties, such consent not to be unreasonably withheld, denied or delayed.

Except as otherwise expressly provided for herein, the Parties confirm that nothing in this Agreement shall confer or purport to confer on any third party any benefit or any right to enforce any term of this Agreement for the purposes of the Contracts (Rights of Third Parties) Act 1999.

22 Waiver

22.1 No failure or delay by a Party to exercise any right or remedy provided under this Agreement or by law shall constitute a waiver of that or any other right or remedy, nor shall it preclude or restrict the further exercise of that or any other right or remedy.

22.2 No single or partial waiver of any right or remedy provided under this Agreement shall preclude or restrict the further exercise of that or any other right or remedy.

23 Severability

If any one or more clauses or sub-clauses of this Agreement would result in this Agreement being prohibited pursuant to any applicable law then it or they shall be deemed to be omitted.
