- In the **Explore Courses** section Applicants can now search the courses based on **Courses** as well as **Institutes**
- Students can use the Filters to search the course & institute of their choice
- Students need to click on **Apply** to check the eligibility criteria of the course & apply to the institute If they search via **Courses**
- Student need to click on **View University** to check all the Courses offered by the institute if they search via **Institutes**

# Student Dashboard

- Students need to click on the **Courses** tab to check all the courses & its details
- Student can check all the institutes' course & the course eligibility here
- Students can click on Learn more & know about the complete requirements of the courses
- Student can then click on **Show Interest** button on the course of their choice & the application is sent directly to the institute
- Institutes will be able to check the application of the student on their dashboard now & then act on the application

The screenshot displays the 'STUDY IN INDIA' website interface. At the top, the navigation bar includes 'Explore Courses' (circled in green), 'Applied Courses', and 'Admission Status'. On the right, there are buttons for 'TEST', 'EN', and a language icon. Below the navigation bar, a dark blue header contains a breadcrumb trail: '← Explore Courses >'. A secondary navigation bar features tabs for 'About', 'Courses' (circled in green), 'Facilities', 'Cost of Living', and 'Eligibility'. The main content area shows a grid of course cards. The first card is for 'Bachelor of Science (B.Sc) - Statistics', listing 'Course Type: Regular Academic Program' and 'Course Duration (In Months): 36', with a 'Show Interest' button circled in green. The second card is for 'Bachelor of Technology (B.Tech) - Computer Science and Engineering (Spec. in Cloud Computing)', listing 'Course Type: Regular Academic Program' and 'Course Duration (In Months): 48', with a 'Show Interest' button. A 'Contact Information' sidebar on the right lists 'Nodal Officer' and 'Compliance Officer', each with a person icon and an email icon. The bottom of the page shows the start of two more course cards: 'Bachelor of Technology (B.Tech) - Automobile' and 'Bachelor of Arts (Honors) - Economics'.

# Student Dashboard

The screenshot displays the 'Applied Courses' section of a student dashboard. At the top, there is a navigation bar with the 'STUDY IN INDIA' logo, 'Explore Courses', 'Applied Courses' (highlighted with a green circle), and 'Admission Status'. On the right, there are buttons for 'TEST' and 'EN'. Below the navigation bar, a breadcrumb trail shows 'Home > Applied Courses'. The main heading is 'Applied Courses'. To the right of the heading are 'Card View' and 'List View' options. The main content area contains three course cards. The first card is for 'Bachelor of Public Health - Public Health' at 'K. L. E. UNIVERSITY', an 'Under Graduate (UG)' program with a 'Course Duration: 48 months | 8 semesters'. It has a 'Learn More' link and a 'Withdraw' button (highlighted with a green circle). The second card is for 'PhD - Engineering' at 'NOIDA INTERNATIONAL UNIVERSITY', a 'PhD' program with a 'Course Duration: 36 months | 3 semesters'. It also has a 'Learn More' link and a 'Withdraw' button. The third card is partially visible, showing 'PhD - Engineering' at 'NOIDA INTERNATIONAL UNIVERSITY'.

- Students can check all the courses & institutes they have applied in the tab **“Applied Courses”**
- Students need not prioritize any choices as applications are sent to all institutes
- Students can also delete their choices by clicking on **Withdraw** button

# Student Dashboard

- Students can now receive multiple offer letters
- Students can check the offer letter in the tab **“Admission Status”**
- Students check the offer letter clicking on the download button
- Students needs to **“Accept/ Decline”** the offer letter before the last date of admission to be eligible for admission to the institute
- The institute sets the **“Last date of acceptance”** for the student when they upload the offer letter
- After the student has accepted the offer letter, the institute will need to confirm the admission of the student again, then only the student details will be forwarded to the Visa module

# Appy for Student visa

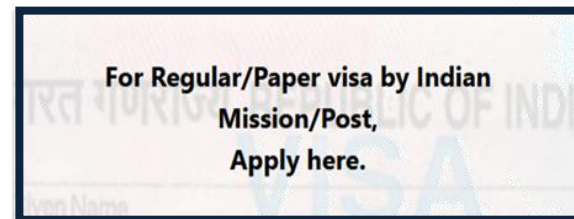

- After the Final confirmation from the institute, Now get ready to apply for Student/ Research visa
- You can apply for visa at : <https://indianvisaonline.gov.in/>
- SII ID is mandatory to apply for Student visa for Higher studies in India
- Please makes sure to have an SII ID & to pay your fees to institutes, to be considered for **Student Visa**
- Your SII Application will be verified during issuance of your Student Visa, Please make sure to provide correct details during the application

Authorized Portal for Visa Application to India  
[Indianvisaonline.gov.in](https://indianvisaonline.gov.in)

All foreign nationals entering India are required to possess a valid international travel document in the form of a national passport with a valid visa from an Indian Mission/Post or eVisa (**Limited Categories**) from Bureau of Immigration, Ministry of Home Affairs.

**Avail Indian Visa plus services through "Official app Indian Visa Su-Swagatam" mobile App for 60 countries".... One stop solution for all Visa related services.**

## Advisory:

Government of India has not authorized any agent or intermediary to charge any fee for facilitation of emergency / express Visa/eVisa. For travel to India a regular/eVisa along with passport is mandatory. Only categories exempted under bilateral arrangements may not need a visa. For persons of Indian origin (all categories), OCI card is mandatory.
