

Placement Brochure 2026-27

St. Xavier's College

(Autonomous)

Kolkata

The Crest

The Crest of St. Xavier's College is modeled on Jassu Crest of the College Patron Saint Francis Xavier's family. It has been adapted to local surroundings, suggestive of a native flavour of a College in India.

The escutcheon in white and blue contains a tiger and a palm tree, overlooked by a silver crescent moon, which symbolizes the palacio of Xavier. The charge on the Dexter, HIS, bespeaks a College of the Society of Jesus (Iesus Hominum Salvator - Jesus, Savior of Human Family). The checky argent and sable in the base recall the spirit of the Xaverian family.

A garter bearing the words "St. Xavier's College, Calcutta", encircles the escutcheon and it is surmounted by a Cross emanating holy rays. A scroll passes underneath inscribed with the words "Nihil Ultra," (Nothing Beyond), the motto of the College.

The Crest signifies dignity, courage, quiet gleam and the call of the beyond - the quest persists towards higher endeavour.

"There is no greater love than to
lay down one's life for his friends."

~ Bible

Message from Rev. Dr. Dominic Savio, SJ Principal

St. Xavier's College (Autonomous), Kolkata, proudly continues its 166-year legacy of academic excellence, inspired by the enduring Jesuit ideal of Nihil Ultra (Nothing Beyond). Guided by this spirit of excellence, the College has witnessed another year of remarkable achievements across academics, research, infrastructure, global engagement, and student success.

Academic Recognition and Expansion

The College secured the **8th position in the NIRF India Rankings 2025**, reaffirming its place among the country's premier institutions of higher education. Academic offerings have expanded significantly with the introduction of a **B.Sc. in Data Science**, an **M.Sc. in Food Science and Nutrition**, and a **Postgraduate Diploma in Molecular Medical Microbiology** in collaboration with **Tata Medical Centre**. In addition, the College launched six new career-oriented programmes and three certificate programmes to strengthen industry relevance and enhance student employability. Our research ecosystem continues to grow, with doctoral programmes currently offered in nine disciplines, while approval for a doctoral programme in Sociology is awaited.

Research & Faculty Excellence

Research remains one of the defining strengths of the College. During the year, **24 intramural research projects**, amounting to **rupees twenty-four lakhs**, were sanctioned, resulting in **twelve quality research publications and two patents**. **Fourteen research scholars** successfully completed their **doctoral degrees**, further strengthening our research culture. Nearly **twenty-five faculty members** received prestigious national and international recognitions, including **the Fellowship of WAST and elevation to IEEE Senior Member status**, reflecting the academic distinction of our faculty.

Message from Rev. Dr. Dominic Savio, SJ Principal

Infrastructure & Inclusive Growth

The College continues to invest in future-ready infrastructure. A new campus is being developed as a **Media Hub housing facilities for Mass Communication and Multimedia, an Incubation Centre, and a Community Radio Station**, creating new opportunities for innovation, entrepreneurship, and experiential learning.

Our **Raghabpur Rural Campus** continues to exemplify inclusive education, with nearly sixty percentages of its students being women. The College was also recognised as the **Best Performing College in South 24-Parganas district** for the effective **implementation of the Government Kanyashree Prakalpa (scheme for female students)**, reaffirming our commitment to equity and social empowerment.

Global & Industry Engagement

Strengthening international collaborations remained a key priority during the year. The College signed **one international and ten national Memoranda of Understanding (MoUs)**, broadening opportunities for academic collaboration and student engagement. We were privileged to host an **Erasmus exchange faculty member from Poland**, alongside distinguished experts in international relations and defence, enriching the global learning experience of our students and faculty.

We were recognised as a network institute of **IIRS-ISRO**, enabling our students to participate in premier satellite and space science programs.

Placement Cell

The Placement Cell continues to strengthen its position as a vital bridge between academia and industry. Through sustained engagement with a diverse portfolio of recruiters, the Cell has expanded career opportunities for students across disciplines while fostering meaningful industry partnerships.

Message from Rev. Dr. Dominic Savio, SJ Principal

This year's recruitment season witnessed encouraging growth, with participation from both long-standing recruiters and several new organisations, reflecting the confidence that employers continue to place in the quality, professionalism, and potential of our students. The increasing diversity of recruiters and career pathways available to our graduates underscores the College's commitment to holistic education, industry readiness, and lifelong employability.

As we continue to deepen collaborations with industry, the future remains exceptionally promising for our graduates, who are equipped not only with academic excellence but also with the values, adaptability, and leadership skills required to thrive in an ever-evolving global workplace.

Closing Words

I take this opportunity to express my sincere gratitude to the seventy-odd organisations that visited our campus, mentored our students, and recruited our graduates. Your continued partnership plays an invaluable role in shaping the professional journeys of our students.

I also extend my heartfelt appreciation to the Human Resource leaders, recruitment teams, alumni, and industry partners for the trust they repose in St. Xavier's College and for joining us in our shared mission of nurturing capable, ethical, and future-ready professionals.

Finally, I place on record my sincere appreciation to our dedicated Placement Cell team, whose tireless efforts, commitment, and professionalism continue to create meaningful opportunities for our students and strengthen the College's enduring relationship with industry.

Rev. Dr. Dominic Savio, SJ

Principal

St. Xavier's College (Autonomous), Kolkata

History, Vision & Mission

History

St. Xavier's College is a 166 years old institution with a rich heritage and long traditions. It is administered by the Calcutta Province of the Society of Jesus (Jesuits).

As a Jesuit Higher Educational Institution, it aims to form men and women for others, with fundamental human and spiritual values. The tiny seed has grown into a mighty tree from 83 students in 1860 to 8743 students in 2026.

The College functions in three shifts: morning, day, and evening, offering UG, PG, and Ph.D. courses in Humanities, Science, Education, Commerce and Business Management Studies. The College also offers various career-oriented certificate and diploma courses to college students as well as outsiders.

16th January 1860	FOUNDATION DAY

2025	NIRF ranking: 8th in college category

Vision

To promote a society based on love, freedom, liberty, justice, equality, and fraternity.

Mission

- To become a centre of excellence in Higher Education;
- To excel in all areas of teaching-learning, research, outreach and consultancy;
- To contribute to the creation of knowledge and to search for the meaning of life;
- To provide education that qualifies as international class for our students;
- To be a bridge between the rural-urban divide, taking the benefits of education to the poor and the marginalized, aiming at their empowerment;
- To ensure access to and equity in higher educational opportunity to all deserving and meritorious students with a preferential option for the poor and marginalized, irrespective of caste and creed;
- To inspire and challenge all segments of the college to raise the realm of good to great to greater, through continuous quality assessment;
- To offer subjects for competence building and motivate / animate a work force imbued with human values;
- To become a home of culture and to consciously promote communal harmony and cultural integration to create an atmosphere of dialogue in the campus;

- To promote academic exchange and academia-industry interfacing, taking advantage of the latest technology;
- To develop application-oriented courses, with the necessary inputs of values, with a view to produce all-round development of persons;
- To form young men and women of competence, commitment, conscience, and compassion;
- To contribute to the well-being of the nation without counting the cost, in the spirit of NIHIL ULTRA (Nothing Beyond), the motto of St. Xavier's.

Value framework to accomplish our mission

- Fostering passionate pursuit for academic and intellectual excellence;
- Promoting social concern leading to action;
- Cultivating uncompromising commitment towards enhancing the quality of life both at the organizational and societal level;
- Instilling in students integrity, perseverance and transparency;
- Facilitating creativity and innovativeness in all endeavours;
- Enabling leadership to become agents of social change and shape a better future;
- Encouraging discipline, teamwork and Collaboration;
- Providing education with a human face;

Why St. Xavier's College (Autonomous), Kolkata

Culture

The Jesuit tradition of education has a distinguished history spanning five centuries. It is an expression of an aspiration and inspiration. There are certain characteristics that uphold Jesuit standards of education and undergird the experience of teaching and learning. St. Xavier's remains committed to its enduring mission of propelling the economic, social, political and cultural development of society through teaching, research, innovation, consultancy and community services.

Academics

The academic curriculum, based on the National Education Policy 2020, is structured to impart quality and contemporary knowledge to students. A carefully optimised education structure develops strength of character and professional quality in students, while encouraging them to combine personal integrity with ethics. In keeping with this spirit of contemporary and socially relevant learning, the we have introduced new courses in Data Analytics, Fintech and Artificial Intelligence, and Wetland Management.

Faculty

St. Xavier's boasts highly qualified faculty members who, apart from teaching expertise and experience, have published research papers, won national-level awards, and been invited to present papers at international conferences. Research infrastructure has also been upgraded to encourage research across all disciplines.

Recruitment

The job market today faces intense competition across all fields. To prepare students for this challenge, the St. Xavier's College Placement Cell has risen to the occasion, successfully aiding outgoing students in securing internship and employment opportunities with reputed organisations.

Alumni Network

The St. Xavier's College (Calcutta) Alumni Association (SXCCAA) was formed in 1985 and continues to connect generations of Xaverians, strengthening the college's professional network across industries.

Best Practices

1. Selection and storage of the abstracts of best dissertations/ student research projects of each department in electronic repositories on the website, and in a special dissertation section in the library. Publication of a book with ISBN Number containing edited form of these dissertations.
2. Interdisciplinary Academic Research.
3. Involvement of Ph.D. students in the theory, computation and lab classes of departments. This will enable them to obtain some useful teaching experiences.
4. Offering a 12–16-day online summer recess course on topics not covered by the syllabus.
5. **THREE MINUTE THESIS:** An annual competition for PhD and PG students to present their research in just 3 minutes so as to be understood by an audience with no background in the research area. The exercise will require participants to effectively present and explain their work with clarity and lucidity. Participants will also have to explain why their work matters, and prove its relevance and value.
6. **Contemporary and Industry Ready Curriculum and Syllabus:** The curriculum and syllabi are revised and updated every three years in consultation with eminent academics, industry experts and key stakeholders. Innovative new courses like Business Data Analytics have been incorporated.
7. Exposure to Industry through Industry Visits and Internship.
8. Extensive use of Finance Lab (installed with Bloomberg software) by organizing workshops on impact of latest trends in technologies on the society/research along with the topics like Fintech, Blockchain & Crypto-Currency, HR/Marketing/Finance Analytics.
9. Instituting the “Poverty Lab” in the college to conduct research studies, workshops, awareness programmes for promoting financial literacy and other social development projects.
10. Organizing Exhibition cum Fair in the College for those students who have their own businesses and start – ups. They will be able to showcase their product/idea in this manner.
11. Hand-holding guidance to students’ Start-Ups to obtain IPRs such as Patent, Trade-Mark registration, Copyright of fresh literary or art work. Guidance to SXC Faculty to obtain IPRs such as Patent, Copyright of fresh literary or art work, publications, etc.
12. A recognition/reward system for students which identifies “The most interactive student”/“The most active student” for every classroom. At the end of the semester a Certificate may be provided to them from the department.
13. Adoption of centers taking care of differently abled females.
14. Involvement of students in Consultancy projects.
15. **Vidyadeepam Project:** 1st & 2nd year B.Ed. students visit 2 Government Schools for the marginalised section in Raghobpur every week. They help both primary & secondary students with their Education, Co-Curricular Activities, Spoken English, Art & Craft & Skills Development.
16. Videos & online resources are prepared for various national & international events, in order to spread social awareness on important issues – International Women’s Day, World Cancer Day, World Education Day and World Environment Day.
17. Organization of Capacity Building Programmes for in-service teachers.
18. Organization of development programmes for support staff.
19. Skill Development through Skill Hub.
20. Contemporary Research through Gender Study Centre.
21. Regular mentoring of students by professors.

STUDY ABROAD

Going on an exchange programme as a student adds tremendous value to their experiences. Going as an exchange student means one gets to learn and absorb different cultures, eat different foods and learn something new almost every day. Meeting new people, exchanging ideas and contributing to each-other's growth in all areas of life adds to their employability. We offer two types of Study Abroad Programme – Semester Exchange and Short term study abroad.

INBOUND EXCHANGE

Culturally rich, India is colourful as it is varied. It offers an inbound exchange student the opportunity to see it in all its glory, up, close and personal. we offer Semester Exchange
