AND

XAVERIAN ASTRONOMICAL SOCIETY

presents

HANDS-ON ASTRONOMY AT FELO

INAUGURAL SESSION

Rev. Dr. Dominic Savio, SJ
Principal
St. Xavier's College (Autonomous), Kolkata

*A two-day summer workshop
on Astronomy and Astrophysics
for students of classes 11 & 12*

REGISTRATION FEES : ₹300

19th and 20th July

Room 15, RRCC Lab, Observatory

For Details, Contact: Subham Banerjee 94330 51702

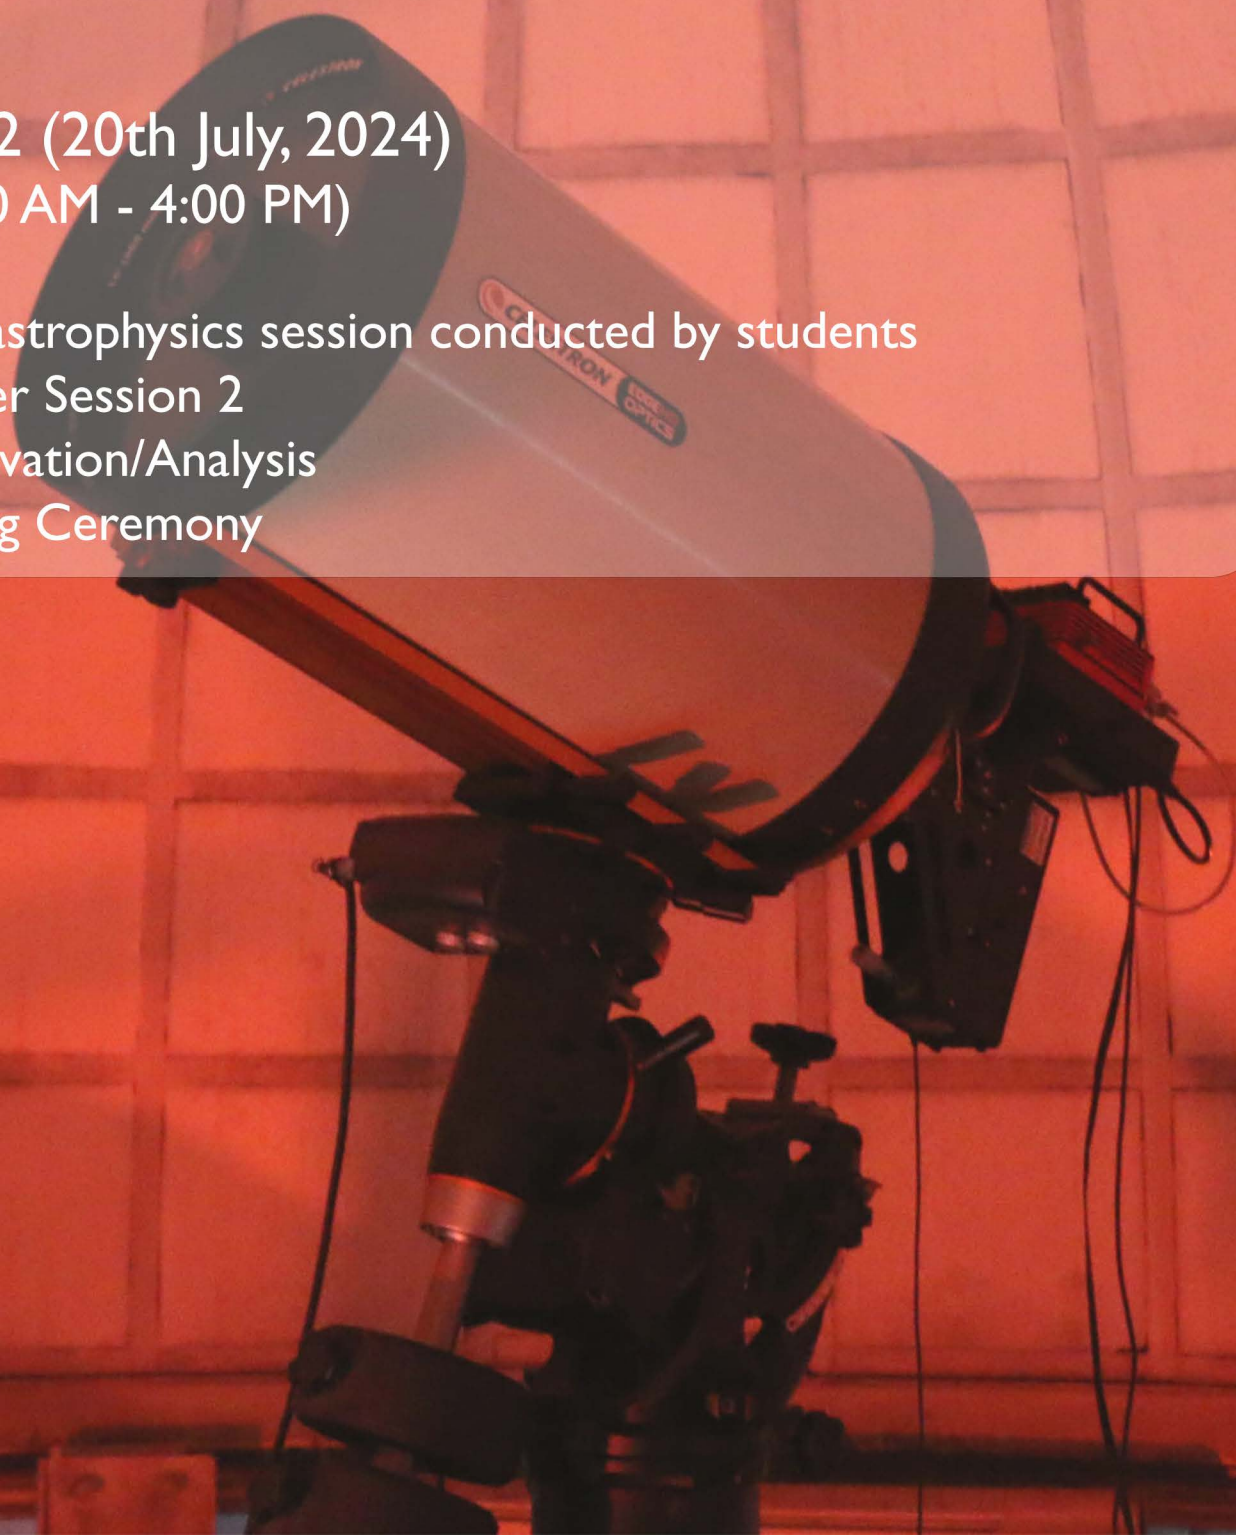

Day 1 (19th July, 2024) (10.30 AM - 4:00 PM)

- Inaugural Session
- Speaker Session 1
- Observation/ Analysis

Day 2 (20th July, 2024) (10:30 AM - 4:00 PM)

- Solar astrophysics session conducted by students
- Speaker Session 2
- Observation/Analysis
- Closing Ceremony

We are pleased to inform you that the Postgraduate and Research Department of Physics in collaboration with the Xaverian Astronomical Society, is gearing up for yet another Summer School this year for Classes 11th and 12th- Hands-On Astronomy at FELO- an opportunity for the 11th and 12th-grade students to participate in a two-day Astronomy and Astrophysics workshop, which will include a visit to the esteemed Father Eugene Lafont Observatory at St. Xavier's College(Autonomous), Kolkata and an in-depth analysis session, providing a unique and enriching experience for all attendees.

Date: 14th June, 2024

To,

Rev. Dr. Dominic Savio, S.J.

Principal, St. Xavier's College, Kolkata

Subject: Request for permission to conduct Summer School in Astronomy and Astrophysics 2024.

Respected Fr. Principal,

I am writing on behalf of the Xaverian Astronomical Society to seek permission to organize a Summer School in Astronomy and Astrophysics, in collaboration with the Department of Physics. The event is scheduled for 19th-20th July, 2024, and will involve 36 students from classes 11 and 12 from various schools.

We have invited Prof. Sanjay Kumar Ghosh (Bose Institute) and Dr. Tamal Basak (Indian Center for Space Physics) as guest lecturers. To partly cover the expenses of this two-day programme, we propose a **registration fee of Rs 300 per student**.

We request the use of **Room 15, Observatory, and Ranjan Ray computation lab** for the event. Your approval and support for this initiative would be greatly appreciated.

Thank you for considering our request.

Yours sincerely,

Suparna Roychowdhury
