

TRADITIONS IN WESTERN POLITICAL THOUGHT

1. Remembering:

- Recall key figures and texts from The Contractualist tradition, The Utilitarian tradition, The Conservative tradition, The Anti-Enlightenment Tradition, and Varieties of socialism.

2. Understanding:

- Explain the core concepts and beliefs of each tradition in Western political thought.
- Analyze the historical context that gave rise to these traditions.

3. Applying:

- Apply the principles of The Contractualist tradition, The Utilitarian tradition, The Conservative tradition, The Anti-Enlightenment Tradition, and Varieties of socialism to contemporary political issues.

4. Analyzing:

- Compare and contrast the similarities and differences between the various traditions in Western political thought.
- Critically analyze the strengths and weaknesses of each tradition.

5. Evaluating:

- Assess the impact of each tradition on the development of political thought and practice.
- Critique the relevance of these traditions in addressing modern-day political challenges.

6. Creating:

- Develop an original argument or perspective drawing from one or more traditions in Western political thought.
- Design a theoretical framework for a political system that incorporates elements from multiple traditions.
