

Dear Applicant,

Greetings from **St. Xavier's College (Autonomous), Kolkata.**

We are pleased to inform you that your application for admission to the **Post Graduate Diploma in Molecular Medical Microbiology** has been shortlisted for the next stage of the selection process.

You are hereby requested to appear for an **Interview**, which will assess your **subject knowledge, academic background, aptitude, and overall suitability** for pursuing the programme.

Interview Details

- **Date:** 21st July, 2026
- **Reporting Time:** 11:30 am
- **Venue:** St. Xavier's College (Autonomous), 30, Park Street, Kolkata – 700016. (Room-15, 1st Floor)

Documents to be Produced

1. A printed copy of the completed application form.
2. Original and one set of self-attested photocopies of all academic mark sheets and certificates (Class X onwards).
3. Valid Government-issued Photo Identity Card (Aadhaar Card / Passport / Voter ID / Driving Licence, etc.).
4. Any relevant certificates relating to research experience, internships, projects, publications, or extracurricular achievements, if applicable.

During the interview, candidates are expected to demonstrate a sound understanding of **Microbiology, Molecular Biology, Immunology, and other allied areas of the Life Sciences**, along with their interest in the field and motivation for pursuing this programme.

The decision of the **Selection Committee** regarding admission shall be final and binding.

Should you have any queries, please contact the **Professor In-charge** at **9231628524** during office hours.

We wish you every success and look forward to welcoming you to St. Xavier's College.

Warm regards,

Admission Committee
