PRAYER OF ST. IGNATIUS OF LOYOLA

Take, O Lord, and receive my entire liberty,
my memory, my understanding and my whole will.
All that I am and all that I possess, You have given me.
I surrender it all to You to be disposed of according to Your will.
Give me only Your love and Your grace;
with these I will be rich enough,
and will desire nothing more.

A PEACE PRAYER

Lord

make me an instrument of your peace
where there is hatred, let me sow love;
where there is injury, pardon;
where there is doubt, faith;
where there is despair, hope;
and where there is sadness, joy.

O Divine Master

Grant that I may not so much seek
to be consoled as to console,
to be understood as to understand,
to be loved as to love:
For it is in giving that we receive,
it is in dying that we are born to eternal life.

— (St. Francis of Assisi)

JESUITS AND EDUCATION IN INDIA

The Society of Jesus, a Christian Religious Order founded by Saint Ignatius of Loyola in 1540, has been active in the field of education throughout the world since its origin. In the world, the Jesuits are responsible for 3,897 Educational Institutions in 90 countries. These Jesuit Educational Institutions engage the efforts of approximately 1,34,303 teachers, educating approximately 29,28,806 students.

In India, the Society of Jesus has founded 118 Primary & Middle Schools, 149 High Schools, 52 University Colleges, 2 Universities, 22 Technical Institutes and 17 Business Administration Institutes with 11,225 teachers, educating 3,24,538 students, belonging to every social class, community and linguistic group. These Institutions are part of the Catholic Church's effort to share in the country's educational undertaking.

The Jesuit College aims at the integral, personal formation of youth. To accomplish this, special efforts are made :

- to help the students to become mature, spiritually-oriented men and women of character;
- to encourage them continuously to strive after excellence in every field;
- to value and judiciously use their freedom;
- to be clear and firm on principles and courageous in action;
- to be unselfish in the service of their fellowmen; and
- to become agents of needed social change in their country.

The Jesuit College thus aims at making its own contribution towards a transformation of the present-day social condition so that principles of social justice, equality of opportunity, genuine freedom, and respect for religious and moral values, enshrined in the Constitution of India, may prevail, and the possibility of living a fully human existence may be available to all.

ST. XAVIER'S : 166 YEARS (1860 - 2025)

A Brief History of the College

A host of seven Belgian Jesuits arrived at Calcutta in November 1859, under the leadership of Fr. H. Depelchin (Rector : 1860-1871), the Founding Father of the second St. Xavier's. They shifted St. Xavier's from Chowringhee to the Sans Souci Theatre in January 1860, which is now the honest home of learned professors and zealous students.

With one hundred and sixty six years of service to the nation, St. Xavier's College, Kolkata, has grown today into a leading educational institution in India. Both St. Xavier's School and College are proud of their contribution to the cause of education and culture in Bengal for 166 years. These twin institutions have produced many great educationists and students who earned regard and respect for their Alma Mater.

Fr. E. Lafont was appointed Rector in October 1871. He was a gifted teacher of physics. The terrible cyclone of November 1864 proved the beginning of his fame. The catastrophe might have been much greater, had not Fr. Lafont signalled the timely warning.

It was Fr. O'Neill (Rector : 1904-1914) who gave the College its crest and the motto : *Nihil Ultra*, a motto, significant and suggestive of a noble ideal, of an unconquerable hope, that urges the Xaverian to a consistent quest for the higher. The motto of the young Xaverian is the old maxim : "*Perfectum nihil est, aliquid restat agentium*" (Nothing is perfect as long as anything remains to be done).

The tiny seed has grown into a mighty tree. In the year of its centenary (1960), St. Xavier's had on its rolls 3,503 students. It has, now 65 years later, 8,614 students. A total teaching staff of 448 are educating them. The College offers UG and PG courses under five faculties : Arts, Science, Commerce, Business Management and Education. College has got approval from AICTE for conducting its management programme.

The Jesuit College aims at forming young men and women of competence, commitment, compassion and conscience. St. Xavier's College thus aims at making its own contribution towards a transformation of the present-day social condition so that principles of social justice, equality of opportunity, genuine freedom and respect for religious and moral values, enshrined in the Constitution of India, may prevail, and the possibility of living a fully human existence may be open before all.

St. Francis Xavier is the Patron of St. Xavier's. There is not an educated Indian who has not heard the name of Francis Xavier. It is to India that Ignatius of Loyola, the Founder of the Society of Jesus, sent his greatest son, Francis Xavier in 1542. Xavier was a zealous "missionary on the move". He sailed to Malacca and Japan in 1549 where he spent two and a half years. In April 1552 he set sail for China via Malacca from Goa, never to return alive. He died at Sancian, a small island facing China, on 2nd December 1552. Wherever he went, he plunged himself into charitable and pastoral work preaching the message of God's love to people. He worked in India for 10 years from 1542 to 1552, called the Xaverian decade.

The list of the old students of St. Xavier's includes many scientists, actors, filmmakers, poets and industrialists in Bengal. It can boast of some of its pupils who became international figures of repute : Rabindranath Tagore and Jagadish Chandra Bose. While Tagore was impressed by the relationship between teachers and students at St. Xavier's, Bose found encouragement for his introduction to science in the person of Fr. Lafont, who was called "the father of science" in India. Three chief ministers of Bengal - H. S. Suhrawardy, Siddhartha Shankar Ray and Jyoti Basu passed through the portals of St. Xavier's. You will invariably come across, in any important office in Kolkata, a Xaverian who has excelled in his field.

St. Xavier's has always been known for its cosmopolitan and national character. Much before the expression "national integration" gained currency, St. Xavier's has tried to foster among its students the spirit and practice of it. Coming as they do from all over India and from

various communities, they live in complete harmony, understanding and mutual respect. Thus they are encouraged to develop beyond local and group affinities, loyalties to the country and to society at large.

The B.Com. Department started functioning in 1946. The Golden Jubilee of the Department was celebrated in 1996. The B.Com. Evening Department started functioning from 1st July 2006 as a co-educational Department.

The National Assessment and Accreditation Council (NAAC) recognized St. Xavier's College as an "A" grade institution in 2003. In May 2006, it was declared a Centre with Potential for Excellence by the UGC. From July 2006, it became an autonomous college (the first in West Bengal). In November 2024, the college was assessed by NAAC and was awarded an A⁺⁺ grade, (4th Cycle).

St. Xavier's College has been granted

- (i) The status of College of Excellence (CE) (2014).
- (ii) College with "Heritage Status" (2015).
- (iii) College with ISO 9001:2015 Certification.
- (iv) College securing 8th position NIRF-2025 Ranking.

St. Xavier's has over these 165 years remained steadfast and persevered in the midst of troubles and anxieties. Now with all the richness of the past, it embraces the future with the same spirit- "Nihil Ultra" (Nothing beyond).

"What does it profit a man if he gains the whole world and loses his soul."

— Mark : 8:36

VISION AND MISSION STATEMENT

History beckons, St. Xavier's College is hundred and sixty-five years young. St. Xavier's is a metaphor of commitment, care and service, and this momentous hour of the history of our college makes Xaverians articulate our pledge for posterity, our 'vision' of the 'mission' of St. Xavier's College, our ambition and aspiration for the future.

We are proud of the progress of St. Xavier's College of today — a vulnerable seed has prospered into a vital, virtuous tree. The college has evolved into a nationally ranked, multifaceted co-educational institution. As enunciated in its Mission Statement, St. Xavier's has, during the days of its journey, welcomed those of all beliefs and traditions, and has respected and valued 'the diversity which their membership brings to the College Community.'

Accommodation of such diversity has always been the abiding attribute of any Jesuit enterprise. Founded under the auspices of a particular religious denomination, we, today, find ourselves completely secular in character. We are determined to preserve this identity. We firmly believe that the distinctive Catholic and Jesuit Character of the College, both in tradition and spirit, is integral to our identity.

We believe that St. Xavier's College can remain faithful to its heritage and extend its intent to meet the intellectual and spiritual challenges of the contemporary and future academic world. Working conscientiously and creatively, we shall forge a vision of what St. Xavier's can be as a Catholic and Jesuit College for the twenty-first century.

The following version of our Vision Statement crystallizes our critical self-understanding of the Mission of St. Xavier's College. We are certain that it will further the prospects for an ongoing dialogue with our peers as we discover anew the Catholic and Jesuit dimensions of the future of the College.

Rooted in the life, love and teachings of Jesus Christ and inspired by the Ignatian Vision of forming men and women for others, St. Xavier's continues to strive.

MESSAGE FROM THE PRINCIPAL

Dear Students, Staff, Parents, Alumni/ae, Benefactors and Well Wishers,

A Christian Minority Higher Educational Institution, St. Xavier's was founded in 1860 by a Catholic Minority Religious Body, the Society of Jesus, and was affiliated to the University of Calcutta in 1862. While preference is shown for the educational and cultural needs of the Christian Minority community and the poor i.e. the socially and financially marginalized, admission is open to all, irrespective of caste, creed and nationality. Buttressed by the historically accomplished achievements of the Jesuits in the field of education, our College community continues to move forward with confidence, pride and enthusiasm. This institution was created with the objective of providing a 360-degree education of the highest quality to enable students to thrive in academics while ensuring at the same time that the education we provide builds qualities of character, leadership, compassion and service.

Principled on the motto "NIHIL ULTRA" meaning "NOTHING BEYOND" and driven with the vision to promote a society based on love, freedom, liberty, justice, equality and fraternity, St. Xavier's College aims to form young men and women of competence, commitment, compassion and conscience - *men and women for and with others*. This is the ideology of Jesuit Education and it enables and empowers students to herald social change nationally and globally.

The College aims to inculcate the highest intellectual standards through rigorous academic commitment and discipline. Students are inspired to aspire to the highest levels of academic achievement by mastering the subjects they have chosen to study. The College stands committed to making the teaching-learning process "Student Centric" to ensure that students are trained to think originally and creatively.

Currently the College offers 18 undergraduate, 2 M.Sc. Integrated, 13 postgraduate, 1 B.Ed. and 09 Doctoral programmes. I am proud to

announce that as part of our expansion plan, an M.Sc. in Data Science was introduced in the academic year 2022-23, an M.A. in History from 2023-24, and from the current academic session we have introduced an M.Sc. in Food Science and Nutrition, and a B.Sc. in Data Science. In the last 2 years we have expanded our doctoral programs to include, with the permission of Calcutta University, the departments of English, Bengali and Economics.

As part of our initiative to strengthen our industry-academy connect, St. Xavier's College has been working closely with Tata Medical Centre to create P.G. Diploma courses that assure students internship and employment opportunities. We have successfully launched the first of these courses, a P.G. diploma course in Molecular Medical Microbiology. Once appropriate government permissions are acquired, we will introduce the next P.G. diploma course in Medical Physics.

To ensure that the college is abreast of the latest developments, we have introduced a minor course on Artificial Intelligence and Multidisciplinary courses such as Gen AI for Non-Coders and AI for Natural Sciences. And given our concern for conservation and environment we introduced a course in Wetlands Conservation which is entirely mediated by conservation professionals.

Also on the anvil are courses on Graphic Design, Psychology, Mobile and Laptop Repairing, Hospitality Management, Digital Marketing, Financial Risk Management, Design Thinking, Innovation and Product Commercialization, Business Data Analytics, Marketing Analytics, Stock Trading (in collaboration with BSE), TV reporting and anchoring, Business Data analytics, Event Management, Digital Humanities, Policy Studies, and courses in sewing and designing, Rural Development and social welfare.

In alignment with the National Education Policy (NEP) and India's global academic engagement initiatives, St. Xavier's College has embraced the internationalisation of higher education as a strategic priority. Through the dedicated work of the International Studies and Programmes (ISP) Office, the College has established academic collaborations with prestigious institutions across Australia, Europe,

the USA, and Asia. We actively host and send students and faculty for semester exchanges, short-term academic programmes, joint research, and cultural immersion initiatives. As a partner institute under the Government of India's Study in India scheme, we facilitate admissions of international students with fee waivers and academic support. The College benchmarks its curriculum with international institutions, ensuring global compatibility and excellence. By promoting a cross-cultural academic environment, we prepare our students to be globally competent, socially sensitive, and intellectually agile citizens, equipped to contribute meaningfully to both national and international arenas.

As a recognition of our collective effort towards excellence in the spirit of "Nihil Ultra", different Government agencies have released grants for the College. The Departments of Microbiology and Biotechnology received the prestigious DBT Builder Grant of Rs. 2.96 crores from the Department of Biotechnology, Government of India. The Expert Committee of the Department of Biotechnology (DBT), Government of India, reviewed the Departments of Physics, Chemistry and Microbiology under the DBT Star College program. St. Xavier's College was awarded Grade 'A' by DBT and the subsequent release of grant under the DBT Star College Scheme was recommended.

Though St. Xavier's is a teaching and learning college, greater and greater emphasis is now being placed on research and consultancy. With a state-of-the art Central Research Facility and a renovated Observatory equipped with the latest equipment, research at St. Xavier's, especially multidisciplinary research with potential patenting of the research outcomes, has become an integral part of the teaching and learning process.

A Research and Development Cell has been established by the College for promoting quality research work in multi-disciplinary fields. In addition to this, the College has established the "School of Social Science and Humanities" in order to develop a cross-disciplinary research culture and to promote training internships. In the same vein, the Centre for Gender Studies is consistently pursuing frontline research

in contemporary gender related issues. The centre has already produced a number of quality research publications.

Here is a record of some of the achievements of the College:

- First Autonomous College in West Bengal.
- College with Potential for Excellence and College of Excellence thereafter, awarded by University Grants Commission (UGC).
- College with a Special Heritage Status awarded by UGC.
- College with ISO 9001:2015 Certification.
- College securing 8th position NIRF Ranking 2025 and consistently within the top 10 colleges in India since 2019.
- A++ College (4th Cycle 2024), awarded by NAAC.
- AICTE approval for the BMS Course.

But for us, perhaps the single most significant achievement with regard to our extension activities is the setting up of the Raghampur Campus, about 25 kms away from the main campus. This campus caters primarily to the academic needs of rural students. In a planned expansion of the infrastructure, a new academic block with a space area of 65,000 square feet has been built. The Raghampur initiative is in keeping with the Jesuit motto, “Magis” which means “more” or “greater” as part of the Jesuit philosophy of doing more for God, and therefore doing more for others and for society. It is closely related to ‘Ad Majorem Dei Gloriam’, a Latin phrase meaning “for the greater glory of God”.

St. Xavier’s College is the only degree College in India with the responsibility of managing an Educational Multimedia Research Centre (EMRC) of UGC. Established in 1986, the EMMRC now known as EMRC, is one of the best centres in the country and has won many awards. In the foreseeable future, the Entrepreneur Development Cell, an Incubation Centre, a media hub, and other professional and job-oriented courses will be located on the EMRC campus. Contemporary research activities will also be carried out in this campus.

St. Xavier's college boasts of an illustrious alumni association, members of which include eminent personalities from both academics and industry. The Alumni is very active in many ways and organises meetings on a regular basis to mobilise funds for college support, social welfare activities and cultural activities. There are national and international chapters in places like Mumbai, Bangalore, Delhi, Assam, Canada, Bangkok, UAE, USA, UK, Singapore, Europe and Australia. The Association tirelessly organizes various philanthropic activities for the welfare of society at large.

I am honoured, privileged and proud to serve and lead St. Xavier's College, Kolkata. It is my obsession for education that has driven me to create a comprehensive and culturally receptive educational environment where every individual is given adequate support and inspiration to achieve his/her objective. I am confident that with the support of the Jesuit community, our students, staff, parents, alumni/ae, well-wishers and benefactors, we will continue to serve the society at large.

May God bless us all!
