Connecting to Wi-Fi (for students)

A Step-by-Step Guide for Laptop, Desktop & Mobile Devices

Note: These instructions assume you have a Wi-Fi network available and that you know its network name **(SSID – SXC-KOL)** and password **(sxckol@1234)**

1. Click the Wi-Fi icon: It's usually located in the system tray (bottom right corner).
2. Select your network: From the list of available networks, choose the one you want to connect to. **(Example: SXC-KOL)**

3. Click on Connect.

4. Enter the password: If prompted, type the network's password. **(sxckol@1234)**
5. Click Next: Your device should now be connected to the Wi-Fi network.

6. You should wait for a few seconds till the Wi-Fi login Page opens. Or, open any browser (For example: Google chrome, Mozilla Firefox, Microsoft Edge etc.) & type 200.200.200.2 in the address bar.

7. Then after the login page opens, type the Username & Password provided to you earlier. Then click on login.

EXAMPLE
USERNAME: 201910021286
PASSWORD: ELE2Q
(ALL IN CAPITAL LETTERS)

8. If you face any difficulty logging in with your CIN No, call Helpline 8100453973.
